RAKE MONITORING SYSTEM

User Manual

केन्द्रीय भण्डारण निगम
(भारत सरकार का उपक्रम)
CENTRAL WAREHOUSING CORPORATION
(A GOVERNMENT OF INDIA UNDERTAKING)

WAREHOUSING FOR EVERYONE
जन जन के लिए भण्डारण

In order to have better Management and monitoring on the Rake Movement at the Corporation it has been decided to change way to digitise the Rake Monitoring. Earlier mode of offline working has dispensed with the newly introduced online Rake Monitoring System for better transparency & expeditious, which can be accessed through following steps:

The said portal can be accessed, by following steps;

1. Open the link **103.27.86.205:8020** in the browser
2. It will redirect to LOGIN page.
3. User will enter the LOGIN ID and PASSWORD which will provided by the Corporation to relevant Regional Manager.
4. RM can create the user credentials of Railhead/Centre users.

Role: There are three types of roles –

- Corporation
- Regional
- Warehouse

Corporation Role –

1. This user can view all the transaction handled AT WAREHOUSE level. User can take report as per your convenient format like PDF or Excel
2. On the Dashboard, can view the transactional data of all region with Date range basis.
3. CO level user can add or update the Master data.

Regional Role –

1. Regional - This user can view all the transaction handled AT WAREHOUSE level. User can take report as per your convenient format like PDF or Excel
2. On the Dashboard, can view the transactional data of all railhead with date range basis.
3. Master data rights also can add and update at CO level.
4. HTC details can create by the Regional Manager and warehouse level user.

Warehouse/ Centre Role -

1. User can view your entered data analysis month wise on his dashboard.
2. User can create the HTC Details.
3. User can add the transactional data for loading and unloading the rake.

Warehouse User
